THIS MATTER is being opened to the Board of Medical Examiners (the "Board") upon receipt of a Report of Investigation of Albert G. Mylod, Jr., M.D. and a report of Dr. Mylod's appearance before the Preliminary Evaluation Committee of the Board. The Attorney General has determined, as the result of the investigative materials, that a basis exists to file an Administrative Complaint with the New Jersey State Board of Medical Examiners (the "Board") against Dr. Mylod seeking, among other things, the revocation or

suspension of Dr. Mylod's license for violations of the statutes and regulations governing the practice of medicine in the State of New Jersey. The investigation has revealed, among other things, that Dr. Mylod prescribed a variety of medications to V.L.D., including Effexor, Armour Thyroid, and Pindolol, from December 2, 2002, through August 2, 2004. Dr. Mylod prescribed the Effexor to V.L.D. for severe depression. Dr. Mylod did not maintain any medical records regarding his prescriptions of Effexor for the period from July 2003, through August 2004. No medical record, moreover, contains findings, diagnosis or a treatment plan regarding V.L.D.'s depression. Dr. Mylod also prescribed Armour Thyroid for V.L.D. on September 5, 2003, October 21, 2003, December 4, 2003, and May 29, 2004. Dr. Mylod's medical records do not note these prescription. Dr. Mylod did nothing, moreover, to diagnose or follow the condition for which he prescribed the Armour Thyroid. Dr. Mylod prescribed Ritalin, a Schedule II controlled dangerous substance, to A.H. Dr. Mylod did not examine A.H. and maintained no medical record with regard to A.H. Finally, Dr. Mylod prescribed a variety of medications for his own use, including Lipitor, Protonix, Armour Thyroid, Cialis, Zithromax, Predinose, Atrovent and Viagra. Dr. Mylod prepared no medical records with regard to the prescriptions that he wrote for his own consumption. In order to avoid further proceedings in this case, Dr. Mylod consents and agrees to each and every term of this Consent Order.

The Board has determined that the within disposition is adequate to protect the public health, safety and welfare at this time. For such reasons and other good cause shown,

IT IS on this 30th day of August, 2006,
